### 2003 Colorado Women's District Retreat "Diamonds in the Rough"

**Guest Speakers:**  
**Stormie Sheldon**  
**Elida Ramos**

October 20, 2003

In mid-October, I had the privilege of having Stormie Sheldon as our guest speaker at our Colorado Women's Retreat. We had over 340 women from Colorado who were truly blessed by Stormie's ministry. The Lord really moved in the hearts of the women.

Stormie's message brought hope to many hurting hearts. Her music ministry was powerful and moving. The ladies definitely enjoyed having her husband, Paul share his heart with us. Together they presented a wonderful message to all of us. Stormie has a way of sharing her life story with warmth, humor and sincerity. I appreciated her loving gentleness during ministry time.

It was truly a blessing to have her minister to our ladies and we were delighted to have her and Paul with us. If you would like any further comments, I can be reached at 970-352-0163 or [cindy@hopecentre.net](mailto:cindy@hopecentre.net).

Sincerely,

Cindy Chavez
