To Whom It May Concern:

We have just completed a Women's Conference with Stormie Sheldon. She shared her testimony with our women on Friday evening and again on Saturday morning. Stormie then presented a concert of heart-felt songs and a short message to our entire congregation on Sunday evening.

In every session she was real and genuine, led by the Spirit, and in tune with those around her. She has a warm and accepting spirit. I appreciated her gentle and humble attitude. She was easy to work with and willing to adapt to any change that had to be made.

I saw Jesus' life in Stormie and a great desire to see that life in others. Our women responded to her ministry and we thank the Lord for His work through her.
